

MEMBERSHIP RENEWAL

President's Message

Welcome to a new year at the Ruakura Club situated in the beautiful setting of the Ruakura Research Centre.

The RCC is a great place to meet friends, enjoy a drink or two, have a meal or indulge in many different sports from tennis, squash, and cricket. We offer a Club Bar, with an ever changing range of 7 or more NZ Craft beers on tap, mainstream beers, wine and other beverages at club prices, off-licence sales, socialising and evening meals. The Club is also available for hire for your functions and workshops, please enquire at RCC.Admin@agresearch.co.nz.

RCC Swimming Pool

Over the winter, we announced to RCC members that there was risk that the swimming pool would have to close permanently, mainly due the need for some potentially large expenditure in the near future that the Club cannot afford and a perception that standards of behaviour around the pool have declined. Luckily, a few members have stepped up and over the winter have developed a plan to at least keep it open for this year, with an intention to develop a longer-term solution.

Changes:

- Pricing** – we have **increased the price of pool membership** to cover the costs of some of the extra maintenance. **See the membership application form for the details.** However, as you will see below, this still **represents fantastic value** compared with other facilities. We will review prices on an annual basis.

For a:	Family of 5 joining	Couple joining	Single person joining
New price	\$200 + club	\$110 +club	\$80 + club
Price 20 swims per person	\$2/swim	\$2.75/swim	\$4/swim

2. Rules - We have a **new set of rules** for users of the pool

- On joining, members will have **to sign a copy** of this to receive a key, confirming they have read and agree with the rules.
- We will organise and advertise fixed **key collection sessions** early on in the season, where members will have to come in person to collect the key, we will run through the rules and our expectations.
- Additionally, the Pool working group will undertake **membership checks**.
- We will **renew the signage** in line with the new rules.

The RCC committee is very grateful to the volunteers who have worked so hard this winter to try to keep the pool open. Please support their hard work - and enjoy the pool and the summer.

We are lucky to have a place that offers these facilities right on our doorstep, and I strongly encourage you to make a habit of visiting the club and showing your support.

I'm looking forward to year full of opportunity and friendship, and too seeing you at the club.

Jules Cairney
President

2016/17 Membership Renewal Form

Completed forms should be returned with payment to:

RCC Administration Officer c/- AgResearch Ltd, P O Box 3123, Ruakura Research Centre, Hamilton 3240
